Hmong Sisters

2013, 13:24 min

Teenage sisters guide a Western backpacker through their Vietnamese mountain community and its shifting traditions. Their informal encounter exposes the layered complexities of cross-cultural exchange.

A Fistful of Tomatoes

2025, 54:13 min

Through collaborative, semi-fictional storytelling, this film explores the human and environmental cost of Almeria's industrial agriculture. It connects this local reality to global consumers, using the indirect language of Western film tropes.
